

PACK 177

December Newsletter

Pack 177 surpassed the goal we set and became the 6th highest popcorn fundraising unit in our council! Scouts learned communication skills and goal setting. Thank you to all the parents who helped their scouts sell popcorn. This was not the work of just one individual, but the entire Fundraising Committee. The funds we raised will help pay for our fun events at Pack Nights, Camping, and offset some of our Blue and Gold Banquet. We have many committees that help the Pack go through the year. Please consider lending a hand and speak to a leader about joining one. The Blue and Gold Committee plans our big banquet dinner, entertainment, decorations, and Bridging Ceremony in March. The Fundraising Committee plans Popcorn, Chocolate, and other fundraising. The Hiking Committee sets and runs hiking dates for the entire Pack. The Parade Committee organizes float building and organizing for the Christmas, St. Patrick's, and Memorial Day Parades. THE NOVA Committee plans special days for awards based on STEM (Science, Technology, Engineering, and Mathematics).
